Material Safety Data Sheet

SAFETY INSTRUCTIONS FOR HANDLING PO301 and PO302 – Stone Sealer

This is a product produced in the USA.

Product – Oil/Wax emulsion base product.

Ingredients – Bees wax, carnuba wax and canola oil

Oil/Wax Lubrications System Products – Stone Sealer

Odorless to slight wax/natural oil odor

HAZARDOUS INGREDIENTS: None Known

Complies with 29CFR 1910, 1200 Nor does it contain any chemicals listed in proposition 65 of the California Regularly Notice.

Flash Point – 250 + Cleveland Open Cup

Melting Point 70C Degrees Plus

Unusual Fire and Explosion Hazards: None Known

REACTIVITY, AND UNDER WHAT CONDITIONS:

This product is adulterated to meet FDA standards as a finished goods body care or light industrial use. Pyrolysis: CO, CO and other organic compounds may be formed. Hazardous polymerization will not occur.

POTENTIAL HEALTH EFFECTS: Molten wax fumes may cause mild upper respiratory irritation when heating and cause burns when hot wax comes in contact with skin.

SKIN: None known

EYE: May cause slight transient (temporary) irritation if this product comes in direct undiluted contact with eye. Use eyewash. Do not ingest. No known hazards, however – not for consumption.

CARCINOGENICITY: This material is not considered to be a carcinogen by the National Toxicology Program.

STABILITY: Stable

Hazardous decomposition or by products: None

Use of Protection: Glasses Recommended when packaging.

Inhalation: Work with large amounts of this product only in well ventilated areas.

Handling and Storage Instructions:

Handling: Undiluted Product handled hot may require additional ventilation or local exhaust.

Storage: Keep containers closed when not in use. Storage in temperatures less than 80F degrees.

Clean Up/Spills: For small or large spills, clean up with shovel and absorbent material, then wash area. Collect material in suitable and properly labeled open containers.

Disposal: Any disposal practice must be in compliance with Federal State and Local regulations. Do not dump into sewers, ground or any body.
